Aaaand... we are done, **CONGRATULATIONS**, you're now Part of the Porcus family. But... what now?

Pledge collection:

If the campaign reaches its funding goal, Kickstarter will collect your payment for your pledge, and a bit after that, you will receive an email giving you access to the Pledge manager.

Pledge manager:

Here you may modify your order, add extras of your choice, and provide your shipping address. In the pledge manager we will be collecting applicable taxes and payment for shipping.

Now we wait:

After the pledge manager closes, we will begin production of Porcus. We will keep you informed with email updates so you know how everything is going. Once the game is finished, we will ship it to you, and then there's only one final step.

Enjoy the game:

Because everything we've done was to get here, we really hope you love the game as much as we do and that it brings you countless hours of fun, laughter, and a few glorious betrayals along the way.
